Antiga Outdoor

COLORI TELAIO / FRAME COLOURS

COLORI TELAIO: Alluminio verniciato a polvere, resistente agli agenti atmosferici, ai graffi e agli urti. Ideale per l'arredo esterno e interno di Hotel, Bar, Ristoranti e Gelaterie. L'alurattan è un'imitazione del rattan naturale scortecciato tinto dalla tipica venatura longitudinale. Per questioni di stampa i colori sono indicativi.

FRAME COLOURS: Powder coated aluminium, it is weather, scratch and shock proof and is ideal for indoor and outdoor.

Alurattan is a powder coated, imitation of natural peeled stained rattan, with its typical lengthwise grain and warm shades. Due to printing reasons, colours are indicative only.

COLORI RIVESTIMENTI TESSIL / TESSIL COATING COLOURS

TESSIL: tessuti tecnici realizzati con fili di poliestere ricoperti in PVC, intrecciati e termosaldati, idrorepellenti, autoestinguenti e antibatterici. Eccellente resistenza all'usura e agli agenti atmosferici, alla salsedine e alle escursioni termiche. Non assorbono lo sporco e sono facilmente lavabili con acqua e sapone. Per questioni di stampa i colori sono indicativi.

TESSIL: technical textiles made of interwoven, thermosoldered, and PVC-coated polyester yarns, water repellent, fire retardant and antibacterial. They offer an excellent durability and resist to atmospheric agents, sea salt, and temperature ranges. Soil resistant, they can be easily cleaned with soapy water: Due to printing reasons, colours are indicative only.

COLORI RIVESTIMENTI TESSIL / TESSIL COATING COLOURS

TESSIL: tessuti tecnici realizzati con fili di poliestere ricoperti in PVC, intrecciati e termosaldati, idrorepellenti, autoestinguenti e antibatterici. Eccellente resistenza all'usura e agli agenti atmosferici, alla salsedine e alle escursioni termiche. Non assorbono lo sporco e sono facilmente lavabili con acqua e sapone. Per questioni di stampa i colori sono indicativi.

TESSIL: technical textiles made of interwoven, thermosoldered, and PVC-coated polyester yarns, water repellent, fire retardant and antibacterial. They offer an excellent durability and resist to atmospheric agents, sea salt, and temperature ranges. Soil resistant, they can be easily cleaned with soapy water: Due to printing reasons, colours are indicative only.
