PARC
Design by Foersom & Hiort-Lorenzen MDD

A scenic view of a terraced garden. In the foreground, a wicker chair with a brown seat and backrest is positioned on a brick-paved terrace. Next to it is a round wooden table. The terrace is bordered by a stone wall with a terracotta top. In the background, a lush green valley with rolling hills and dense vegetation is visible under a bright sky. A potted plant with purple flowers is in the bottom right corner.
